

IN THE WORLD

John 17:9-19

LESSON 11

Connect timeless truths with today's news.

GREATEST MEMORY OF HIS LIFE

A young Texas boy recently had his horizons expanded by a train engine. Tommy, age ten, of Navasota, joined hundreds of others to witness the glorious arrival of “Big Boy,” the largest steam locomotive in the world. The massive black locomotive pulled into the Navasota station as part of Union Pacific’s nationwide “Heartland of America Tour.” Video of the event shows Tommy’s exuberance: “It’s six hundred and four tons of pure metal! It’s just absolutely mind-blowing that I was able to have the experience to see this. Unforgettable. This will be an unforgettable experience for the rest of my life.”

PRAISING GOD ALL HIS LIFE

Our texts today are two psalms of great praise for the Lord. We can almost hear the psalmist’s exuberance as he declares his vow to worship him all his life and sing his praises, along with everything in the world that has breath.

1. What’s your earliest positive memory?
2. How might trains have been part of your life?
3. When have you been so full of praise for God that you could’ve written a psalm like one of these?
